  - Chicken Nuggets
    - home fries
- Chicken mini burgers with vegetables
  - Coleslaw salad
  - carrot salad

A whimsical forest scene. In the foreground, there are several mushroom-shaped houses with small windows and doors. One house has a bell hanging from its stem. A wooden ladder leans against one of the houses. In the background, a large tree trunk is carved into the shape of a giant's face with a beard and closed eyes. The tree has green leaves and small pink flowers. The overall atmosphere is magical and fairytale-like.
